## TO WHOM IT MAY CONCERN

This is to confirm that Messrs. IMP Protipožarni Sistemi, d.o.o. have recently received a training on Minimax water extinguishing system's components on 16th and 17th September 2009 at Minimax' headquarter in Bad Oldesloe/ Germany.

IMP's fire extinguishing staff works with Minimax components since 1988 and received regular trainings and updates on relevant parts.

IMP is therefor in a position to design, install and conduct maintenance works at Minimax system's components.

Best regards

Karl Keller
